

ASSEMBLY INSTRUCTIONS

MIB0062, 0063 - 2 SEATER HAMMOCK

WARNING:

This Hammock will require two people to assemble it.

Please check that all component parts are in the carton before you start assembly.

1. Assemble the Hammock on a flat and solid surface away from any object which may cause damage to it.
2. Keep away from fire.
3. When in use ensure the Hammock is on a flat surface.
4. Do not put arms or legs between the frame and the Hammock seat.
5. Do not put objects directly in front of or behind the Hammock when in use.
6. Maximum load 160kgs
7. Do not allow children to use the Hammock unsupervised.
8. Regularly check that all fixings are secure.
9. Cover the Hammock during inclement weather and during the night with a Weatherscreen cover.
10. Do not leave cushions under the Hammock cover overnight or during periods of inclement weather.
11. We do not recommend that the Hammock be left out during the winter months but that it should be dismantled and stored in a cool dry place.
